

Breathing Life into the Riverland!

Riverland Life FM is breathing life into the Riverland with great music and positive talk. And now with our full licence about to be granted, we're looking to our future development, more great life-celebrating songs and messages, and your participation!

Cup-cake Champion

Erin Harrald has made about 340 cup-cakes and shared about Riverland Life FM at eight Riverland church services so far this year. The aim is to encourage interest in the ministry of the station and to share ways that people can get involved. We hope that many will catch the vision of what is possible for the Gospel of Jesus Christ through the radio.

Nutella Auction

In May, the Riverland Life FM Promotions team participated in a Quiz Night fundraiser held for Christian Life Week, and ran some activities to raise funds for the station, including a Nutella Auction, with prizes donated by the Country Bakehouse. Other items were kindly donated by Loxton Pizza Bar, Toyrific, Totally Exposed, Samuel Taylor, the Chaffey Theatre and Surf to Suit.

Talking Real Estate

New local show, 'Talking Real Estate' presented by Raph Liddle and David Kanizay from station sponsor Elders Real Estate, launched Wednesday 11th April and has already notched up nine shows. Talking Real Estate airs each week, after the 8:30am newsbreak on Wednesdays with a repeat of the show on Saturdays at 12pm. You can contribute your own questions about buying or selling property for discussion on the show by texting to 0405 005 138.

Special General Meeting

It might not look like it in this picture, but the Special General Meeting held in May was quite well attended. Changes to our constitution were accepted at the meeting, a necessary step in order to comply with requirements of the ACMA, so that we can be issued our full community broadcast licence in July. Pictured are Chairperson Peter Magarey and Secretary Tim Vivian.
