

2013 NAB Cup Broadcast Success

The 2013 Nab Cup live broadcast on Sunday 3rd March was a great success thanks to the input of many people.

It was a job just to get the broadcast rights from the AFL, as we had to go through a number of layers of authority to make contact. Our thanks to RFL president Neil Martinson for getting things started.

We also asked Life FM in Adelaide to contribute one or more of their SANFL commentators, with the idea being to make the occasion an educational one for our local commentary team. As a result, Phil Herden and Phil Aspinall joined locals Greg Graetz, Travis Dubrich and Shane Phillips, with Gary Wheatcroft as technical support, in putting together the broadcast.

Our thanks to each one of the team for giving their time and skills to make the broadcast a success.

As a bonus the game proved to be an entertaining and close contest.

Our thanks to the Renmark Football Club and the Renmark Tennis Club for their assistance. Thanks also to The Country Bakehouse for sponsoring the broadcast.

Our biggest thanks goes to Mike Western for the many hours (that turned into days), given to organising and setting up the communications required for the broadcast.

Our Vision

To communicate in a contemporary way,
the Truth, Relevance and Power
of the Gospel of JESUS CHRIST,
through radio,
to impact lives, and bring hope and health
to the Riverland Community.

In Romans 10:13-15 we read, *'Everyone who calls on the name of the Lord will be saved.'* How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? And how can they preach unless they are sent? As it is written, *'How beautiful are the feet of those who bring good news!'* And verse 17, *Consequently, faith comes from hearing the message, and the message is heard through the word of Christ.*

Riverland Life FM is here to be a partner with the Church in sharing this life-saving message. We are looking for churches, church based ministry groups and individuals from the local churches, to join with us in using the radio station as part of your outreach ministries.

Maybe you're not very outgoing or vocal, but you sense God's call to proclaim the salvation message and you're just need a way to get involved. Perhaps you have abilities and skills in administration, or writing, or creative interests.

We need people's time, skills and gifts to make the station effective in ministry. We know it can be, but only with participation from brothers and sisters in the churches.

We desire Riverland Life FM to be a reflection of God's glory in the Church through:

- Excellence in broadcasting standards - we want to be the best that we can be according to God's calling.
- Beauty in musical expression - we want to share the God-given creativity of Christian and non-Christian artists, to the glory of God.
- Proclaiming the gospel of grace and salvation in word and song.
- Shining the light of God's truth into darkness.
- Witnessing to the love of God and the joy we experience in knowing Him, using every opportunity that comes as a result of connecting with our community through radio.

Riverland Life FM is an exciting opportunity to serve God, just waiting for creative and motivated people to take hold of it and make the most of it, to the glory of our great God. Will you join us?
