## WE WANT YOUR FEEDBACK!

Riverland Life FM is currently taking part in an Australia-wide radio survey, being conducted by McCrindle Research. This study will help us better understand our listeners. It will also help us demonstrate to our licensing authorities and regulatory bodies that Christian radio is important to our community. Right now you can go online and answer questions about what you like and dislike about our broadcast. We want to know what you really think! We are hoping that we will get a lot of listener response that will give us a real idea about how well we are connecting with our listeners. Time is short - the survey is scheduled to conclude on **Friday 3rd March** - but it only takes a little time to go online and answer the questions. Tell your friends and family too, and anyone else you know who listens to Riverland Life FM. It doesn't matter whether that's occasionally or all the time.

**Links to the online survey are on our website and also on our Facebook page.**

*The survey lists all the radio stations that are participating. Riverland Life FM is listed under 'Regional Station', so you will need to select this option and then 100.7 Riverland Life FM' in the next window, in order to give feedback about us.*

This is our first survey of this kind. Thank you for supporting us in this way ... and please do it soon! As a bonus, you might even win a Wish gift card!

**Tell us what you really think...**

...for your chance to win either a \$500 or \$200 wish card!

# March is Membership Month

It's that time of the year - time to renew your annual membership! Membership is important to our radio station. For ACMA it is a key indicator of local support for the radio service. For the station, you are valued partners in the ministry. Together, as we pray and support the station in various ways we trust that God will use the station to draw people to Himself and bring them into His Kingdom through His Gospel, which is *"the power of God that brings salvation to everyone who believes"* (Rom 1:16).

The annual cost for full membership is \$55, and \$22 for associate membership (including GST). Full membership includes full voting rights at general meetings.

## What's New

The new year has brought some changes to our programming. The **Simmo & Ross Show** has moved from Mondays to Thursday night at 7pm. **Rohan and Shane** (pictured), our longest running onair duo, can now be heard on Monday nights from 8pm. Also, our newest programme, **The Book Chook**, airs on Thursday at 12.30pm and again on Monday at 1pm. *The Book Chook, A Closer Look*, discusses literature in many forms, including new books, old favourites and also the Bible.

And don't forget to also tune into **Erin's Hour** on Tuesdays - 4am if you're a real earlybird, and at 12pm for the rest of us!

## Riverland Football

The 2017 Riverland Football Season commences in early April and at this point in time we are unable to confirm that Riverland Life FM will be covering the games. We have received a lot of positive feedback through these broadcasts and we appreciate being able to connect in this way with the local community. It is a big time commitment for technical support personnel and the commentators, and after a number of years of contributing their time and talents they need a break. If enough fresh talent becomes available we will endeavour to bring local football to the airwaves in 2017.

## Credit Card Payments

Riverland Life FM does not have a bank facility for processing credit card payments received by mail.

If you would like to pay your donation or membership with a credit card (Visa or Mastercard) you still can by going to our website and using our Paypal facility. You can use Paypal as a 'guest' - you don't need to join up with Paypal yourself.

The Donations page link is under the 'Join Us' tab. To make your payment go to:

<http://riverlandlife.org.au/donations.php>

If you are paying a membership and not a donation, please email us your details so that we correctly record your payment. If you would like help with using the Paypal portal, please call the station and we will assist you.
