

AGM NEWS

The 2018 AGM of Riverland Christian Radio Inc was held on Friday 12th October. We were very blessed to have guest speaker David Turrell, CEO at 1079Life, speak to us about the power of media, and in particular the relevance and effectiveness of radio. David drew from his extensive history and experience in radio and other media to give us an informative and challenging message.

NEW BOARD OF MANAGEMENT

At the AGM held in October we were blessed to have four new members join the Board of Management, Michelle Campbell, Louise Gutsche, Scott Main and Marg Phillips.

The Board now enjoys both gender balance and a more equal mix of people from north and south of the river, which has to be a good thing! Leaving the Board is Simon Vivian, who we hope can continue to participate from time to time in station activities and on-air. Continuing Board members are: Tim Vivian (Chairperson), Paul Devenport (Vice-Chairperson), Peter Magarey, Samuel Taylor, and Erin Harrald (Promotions Co-ordinator).

Louise Gutsche is our new Secretary and also our Sponsorship Sales Co-ordinator.

POINTS FOR PRAYER

We give thanks for the blessings of 2018, including receiving our long-term community broadcasting license. Please pray for ...

The Board of Management, for wisdom and the Lord's enabling;

The Waikerie Transmission Project team, as they prepare for a test broadcast at Waikerie - for site permissions, for provision of equipment and the necessary funding;

Financial needs of the station, including transmission site fees and APRA fees due early in the new year;

Erin Harrald's recovery from knee surgery;

Simon and Amanda Vivian and their baby Benjamin, who is recovering from recent heart surgery.

New Radio Content

Good News Unlimited is an interdenominational Christian media ministry partnering with other ministries, including churches, and radio stations like ours, to spread the gospel of Jesus Christ around the world. Listen out for new radio spots from Good News Unlimited, including 'The Big Questions' and 'Unlimited'.

HAVE A BLESSED CHRISTMAS

May you be blessed with opportunities to give thanks for God's amazing gift!

Studio Workshop

A group got together at the station recently to record some radio spots. Pictured are Heather Saunders, Louise Gutsche, Erin Harrald, Scott Main, Pammy Main and Samuel Taylor.

In November we ran an appeal for financial support to help us prepare for next year. January is typically a time when income is at a low point. At the same time we receive our 6-month bill for the Transmission site fees at the Loxton tower and also our annual APRA bill. These costs are not the only expenses, but they do make January expensive! Thank you to everyone who has given recently to help us over this hump. Your support will help us keep the great music, positive talk and the Good News of Jesus on-air.
