NEWS

June 2019: Volume 23, No. 2

## Sowing Seeds of Love

Our theme for this year's June Appeal comes from Jesus' well-known parable of the farmer and the seed in Matthew 13.

This story describing how the seed was scattered and fell in various places is reminiscent of the way radio sends out its signal into the community. Our prayer is that the seed of the gospel contained in the music and messages that we broadcast

will be received and take root in people's hearts. We may never know where that might be happening, but we trust God to work through the ministry of the station to bless listeners and make His Word grow where He wills.

We hope you will join us in helping to sow the message of Jesus via radio in the Riverland.

## Sports Life

Riverland Life FM welcomes Trevor Scott, host of our newest radio show, Sports Life. Trevor is well known in the Riverland through his work at commercial radio station, 5RM.

Like many successful media professionals, Trevor made his start in community radio, and we hope he's enjoying his return to it with us.

We are delighted and blessed to have him involved and look forward to putting his talents and experience to good use.

Sports Life airs on Monday nights from 6pm for a little over an hour. Trevor talks with people from various local sporting associations to get the latest results and analysis of the weekend's competitions. Trevor is also making a valuable contribution in the commentators' box at our Riverland Football League broadcasts.

If you have information to share on Sports Life or would like your sport included, contact our office, Facebook, or call Trevor on 0409 588 568.

## Relay for Life Fundraiser

Our Relay for Life team fundraiser BBQ held on Saturday April 6, at Loxton Home Hardware was well supported, and a lot of fun!

Thank you to all who stopped in for a tasty sausage with a range of special sauces, including Tuesday NiteLife co-host Shane's contribution of a chilli concoction for the courageous! We also served some amazing cupcakes, courtesy of station sponsor, The Country Bakehouse.

A special appearance by Mickey and

Minnie Mouse was a highlight for the kids and attracted the attention of passing cars. It was a wonderful opportunity to engage with the community and raised a healthy total of \$348.70 for Relay for Life.

If you're interested in supporting Riverland Life FM's Relay for Life team and maybe join us for the Riverland Relay for Life event on Saturday, 26 October 2019, visit [www.relayforlife.org.au](http://www.relayforlife.org.au) and find our team on the Riverland page.

## Church Visits

Riverland Life FM Promotions Co-ordinator, Erin Harrald, is visiting church congregations around the Riverland to speak about the station and raise awareness of the opportunities to get involved. Recently she visited the Renmark and Renmark West Uniting Church congregations.

Upcoming visits are planned for Loxton Anglican and Berri Uniting Church. If you'd like a visit, please contact the station.

# Riverland Football Broadcast

Thank you to our team of commentators and technicians, and our football broadcast sponsors for their valuable support in bringing Riverland Football to our listeners this year.

This year our season sponsors are Berri Betta Electrical, Creative Pools & Landscaping, and Flight Motors Mitsubishi in Loxton.

The season has got away to a great start, with plenty of enthusiastic commentary from our team (check out some video footage of Trevor, Sam and Travis on our Riverland Life FM Local Sport Facebook page).

## Jumpers for sale

A limited number of fleecy hoodies, with embroidered Riverland Life FM logos, are available for sale from our office for \$30. Just in time for the winter weather!

There are two styles available, a black fully zipped hoodie jacket, and a navy hoodie pullover. Both are toasty warm and perfect for Saturday sports or relaxing in around home.

Get in quick, call or email the station for yours!

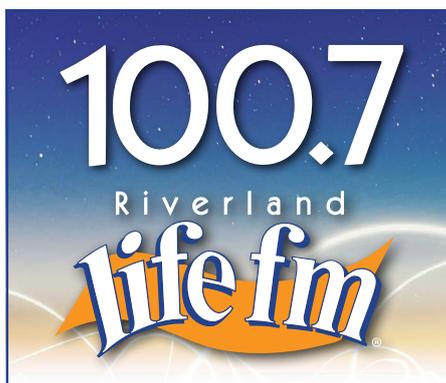

## NiteLife Change

NiteLife with Rohan and Shane is enjoying a new timeslot on Tuesday evenings, 8pm to 10pm.

## More Sausages!

Riverland Life FM attended the Christian Life Week Quiz Night, held at the Peace Hall in Loxton on Saturday 1st June and provided a sausage sizzle tea for the participants. Our thanks to **Loxton Foodland** for very kindly donating the sausages for this fundraiser.

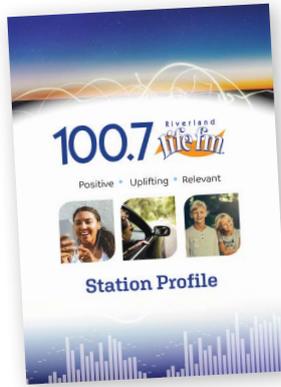

## Station Sponsorship

If your business, church, school or sporting organisation wants to get their name out around the Riverland, then Riverland Life FM Station Sponsorship is a great way to do it.

All our sponsorship options are great value, including our short-term packages. If you'd like to know more about station sponsorship, we can send you our Station Profile which includes our current sponsorship rates.

Please contact our office and we'd be happy to post or email a copy to you.

## Membership

Our thanks to all members who renewed their memberships during our March Membership drive. If your membership form was inadvertently put aside at home, it's not too late to renew and show your support for the station.

We aim to increase our membership, which is a part of our goal of increasing participation in the station in both day to day operations and in governance.

However, if we cannot retain our current members, then growing our membership base won't be easy!

We value every member and associate member as a participant with us in our aim to deliver quality family-friendly radio and God's message of hope to our region. If you would like to renew or become a member please go to our website, [riverlandlife.org.au](http://riverlandlife.org.au), or contact the station.

## Waikerie Transmission

Currently the Waikerie Transmission workgroup is preparing to run a test broadcast in Waikerie on Saturday 15th June. Failing that, Plan B is to do the test on Saturday 22nd June.

There are a number of people, agencies and equipment to co-ordinate for this to happen.

Please pray that the test broadcast is able to go ahead and that we're able to successfully demonstrate the suitability of the site.

The establishment of a repeat transmitter for the Waikerie township will achieve a long-awaited goal and we hope and pray that it will soon be a reality.

## Open Board meeting

Take the opportunity to come to an 'open' meeting of Riverland Life FM board. We invite observers and members to attend and see how the station works behind the scenes.

If you'd like to be kept informed of future board meetings, please contact our office.

## Thank you to all our Sponsors!

Our thanks to the following current or recent sponsors for their support: Australian Conservatives, Beech Hardware, Berri Betta Electrical, Creative Pools & Landscaping, Christian Family Bookshop, The Country Bakehouse, Feed The Hungry (Hope Media), Flight Motors Mitsubishi, Jannette Fullham Photography, Ken's Exhaust Systems, Living Waters Christian Community, Mike Taylor Accounting, Nitschke Bulk Transport, PIRSA (Fruit Fly Notification), Reimaginn Consulting, Rivergum Christian College, Scarfes Electronics.
