Celebrating community with Loxton Mardi Gras!

Playing up to the 2020 theme "Play", our team joined in the fun of the parade while also sharing our radio frequency! Over 100 program postcards were given to potential listeners. Well done to our "boombox dudes" Tom, Gilly, Hugh, Fr Paul Devenport and John Krause. Thanks Erin Harrald for lending her car plus driving.

## Behind the Mike Programming News

## New Riverland News Presenter

Riverland Life FM welcomes a new voice on radio, Morgan Burley who recently began work at the Loxton office of the Taylor Group of Newspapers.

Morgan brings us a brief report from across the region each Wednesday afternoon at 5:15pm on 100.7 Riverland Life FM.

Tune in for "Life in the Garden" our new gardening show hosted by Scott Main featuring gardens of the Riverland. The first show will go to air 12pm after the news, on Wednesday 11th March, and if you miss that you can hear the repeat on Saturday at 1pm.

"Life in the Garden" host Scott Main

## Open Board Meeting

The Riverland Life FM Board of Management meets each month and you are invited to our next special open meeting which is on Monday 16th March at the Berri Church of Christ.

Special guest is Nancy Murdoch who will share with us about her many years of experience with the Cancer Council Relay For Life. We'll meet at 6.30pm and supper will be provided.

Please join us!

## Repeat Broadcast for Waikerie

Recently our Waikerie Transmission Project team visited the site to install the antennas that will receive and send our radio signal to the town and surrounding area, in a test broadcast planned for this month.

The transmitter and a few other bits (known only to technical minds!) need to be connected and then they will be ready to go. The frequency will be 88.5 FM.

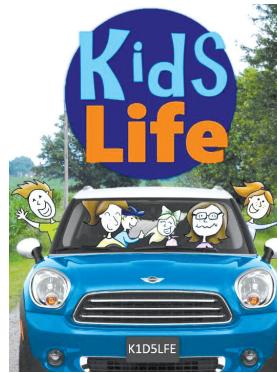

- Pray for our sponsors, both current and future, that they would see blessing from their commitment to Riverland Life FM, and receive positive encouragement from their investment in promoting their business with us.
- Pray for the Board of the Riverland Life FM as they seek God's guidance and vision for the station - from the big dreams down to the day-to-day tasks that have to happen continually to remain on air.

## New "Testify!" Project

"Testify!" is a new radio project that we are eager to get started, which involves collecting and putting to air personal stories from people about their coming to faith and their walk with Jesus.

Do you have a Christ-centred testimony that points others to the cross of Christ?

We looking to record as many testimonies as we can from Riverland people, and any others we meet along the way. If you would like to be involved please contact the station.

Therefore everyone who confesses Me before men, I will also confess him before My Father who is in heaven.
